

Your Leasing Advantages

Through salary conversion and attractive tax benefits, you can lease your dream bike through Alstom Germany on highly favorable terms.

Your leased bike is fully available for private use.

Advantages:

- Small monthly installments
- Comprehensive protection covering all wear parts from day one, with no limits
- Regular inspections included
- Tax benefits through salary conversion
- Free choice of brand and model
- Available for e-bikes and bicycles
- Access to over 5,000 specialist retailers
- Europe-wide mobility protection

Salary Conversion

Thanks to reduced payroll costs and VAT deductions, you can save up to 40 % through bike leasing compared to direct purchase.

Calculate your monthly rate and potential savings now!
